

2025 VCE RESULTS

Congratulations to the Class of 2025! Based on passion and grit, once again, St Kevin's College, an academically non selective entry school, has produced outstanding VCE results. Our collective effort has come to fruition.

Exceptional English results continue to be a hallmark of St Kevin's College, with 102 students achieving a Study Score above 40. In 2025, we celebrate 8 students achieving Perfect Scores in English.

The College's Dux of 2025, William Park, achieved a Perfect ATAR of 99.95, and was the Dux of all his subjects. William has engaged with a variety of academic, co-curricular, social justice and leadership opportunities throughout his time at the College. We congratulate William and celebrate him as an exemplary Kevinian.

While today's VCE results speak for themselves, St Kevin's education goes well beyond this. The time and effort the boys devote to social justice, performance, music, sport, debating, outdoor education, leadership and other aspects of our holistic program provide a solid foundation. We are proud of the Class of 2025 who have openly embraced the College values of compassion, integrity and excellence.

We know that there is something truly special about St Kevin's College. With our expert teachers working in partnership with the boys and their families, we applaud our community on these tremendous results.
